

### **NO SURFACE OCCUPANCY STIPULATION**

No surface occupancy or use is allowed within and for a distance of 300 feet from the boundaries of cultural properties and archaeological/historic districts determined to be eligible or potentially eligible to the National Register of Historic Places. This includes cultural properties designated for conservation use, scientific use, traditional use, public use and experimental use.

Defined archaeological districts include: Everson Creek/Black Canyon Quarry Complex, Muddy Creek Archaeological District, Lower Beartrap Canyon Archaeological District and Beaverhead Rock.

On the lands described below:

For the purpose of:

Protect significant cultural properties and archaeological districts and their settings, and to avoid disturbance or inadvertent impacts to these resources.

Any changes to this stipulation will be made in accordance with the land use plan and/or the regulatory provisions for such changes.

Exception: An exception to this stipulation may be granted by the authorized officer if the lessee or operator submits a plan which demonstrates that the adverse impacts to cultural properties eligible for the National Register of Historic Places can be mitigated through data recovery and/or extensive recordation or other acceptable means. Where impacts to cultural resources cannot be mitigated to the satisfaction of the surface managing agency, surface occupancy in that area must be prohibited.

Modification: The boundaries of the stipulated area may be modified if the authorized officer determines that portions of the designated site or district can be occupied without adversely affecting the cultural resource values for which the site or area was designated eligible.

Waiver: NONE
